

NO MANDATORY VACCINATION PARTY

1. The **NO MANDATORY VACCINATION PARTY** will **Repeal Section 158** of the Public Health Act (2016)

(Printed on the back)

Section 158 of the Western Australian Public Health Act (2016) allows the police to hold you down and **remove all of your clothing (including underwear)** to administer the vaccination.

2. The NO MANDATORY VACCINATION PARTY will make it illegal for any business or company to require its workers, or potential workers, to receive a vaccination as a **condition of employment.**

3. Ensure that **no child is forced to receive a vaccination** in order to attend school.

“The COVID-19 vaccination could be compulsory for WA school children and for anyone who wants to travel overseas, according to Mark McGowan.”

“The West Australian”, Saturday 5th December 2020, p5

4. The NO MANDATORY VACCINATION PARTY will reintroduce the right to exercise **Conscientious Objection** to vaccinations.

This provision existed in the Health Act (1911) Section 275 (i) but was removed when the Public Health Act (2016) was introduced.

PUBLIC HEALTH ACT 2016 - SECTION 158

158. Enforcement of requirement to undergo medical observation, medical examination

- (1) If an authorised officer gives a direction to a person under section 157(1)(j) to undergo medical observation, medical examination or medical treatment or to be vaccinated, an authorised officer or police officer may use reasonable force to ensure that the direction is complied with, including, if necessary —
 - (a) to apprehend and detain the person to whom the direction applies (the **relevant person**) and take the relevant person to a place where the person is required to undergo medical observation, medical examination or medical treatment or to be vaccinated in accordance with the direction; and
 - (b) to detain the relevant person at the place where he or she is required to undergo medical observation, medical examination or medical treatment or to be vaccinated in accordance with the direction; and
 - (c) to restrain the relevant person —
 - (i) to enable a medical observation, medical examination or medical treatment to be carried out; or
 - (ii) to enable the relevant person to be vaccinated; and
 - (d) to remove anything (including underwear) that the relevant person is wearing, if —
 - (i) the removal of the thing is reasonably necessary to enable a medical examination or medical treatment to be carried out or, as the case requires, to enable the person to be vaccinated; and
 - (ii) the relevant person is given a reasonable opportunity to remove the thing himself or herself, and refuses or fails to do so.
- (2) A direction under section 157(1)(j) to undergo medical examination or medical treatment or to be vaccinated authorises —
 - (a) in the case of a direction to undergo medical examination —
 - (i) the carrying out of that medical examination in accordance with the direction; and
 - (ii) the testing of any sample obtained or taken in connection with that medical examination;
